

Baguette Sunscreen System

PANELS: TERRA COTTA BAGUETTES / LOUVERS

As sustainable architecture continues to call on sunscreen systems as an integral part of the solution for energy-efficient design, natural clay sunscreen products are gaining increased prominence over other louver systems. ECO Cladding provides a full “system” approach to address all of the requirements of the wall design and ensure maximum performance for baguette and louver tiles.

- ✓ **ENGINEERED DESIGN**
- ✓ **ADDRESSES WINDLOAD & DEADLOAD**
- ✓ **THERMALLY EFFICIENT**
- ✓ **EXCELLENT MATERIAL PROPERTIES**
- ✓ **DESIGN AND CONSTRUCTION SUPPORT**
